

Dear Ministry Partner,

It's official! I am sure you that by now you have heard that Campus Crusade for Christ is officially changing its USA name to Cru.

That change finally kicked in midway through last month. Several nice benefits have come from this. First, it makes writing and speaking the company name much quicker ☺

Second, it has presented many gospel opportunities for all the staff. Now, when I tell people who I work for, the immediate follow up question is always, "What is Cru?" This is phenomenal since it gives me the opportunity to share the gospel while answering another person's question!

That isn't the only change that has been happening. It feels like my entire time stateside could be categorized by the word change. Change in location, change in day to day activity, and all kinds of other change. This summer brings about another change. I will be spending 6 weeks in Colorado to go through some cross culture training. This is the final new staff training I will participate in before heading back to Budapest in early August.

Doing Classroom Presentation During BHHP Week 2010

Speaking of Budapest, how would you like to join me there? Every fall, our ministry hosts a week long mission trip called: Bringing in the Hungarian Harvest Project (BHHP). It is a phenomenal way to be involved in ministry and to experience what we do on a daily basis. Not only that, but we really need you! We plan a huge outreach that is only possible if we have enough people to help us put it together. Please pray about joining us September 22-30 to reach Hungarian students for Christ! You can find out more at: [https://timoteus.hu/partners/Partners/BHHP\\_12.html](https://timoteus.hu/partners/Partners/BHHP_12.html) Of course, I would love to have you visit me at any time! Consider planning your next trip to Budapest!

Thank you so much for joining with me to share of the God who never changes! I am so grateful for you and your partnership!
