Budapest,

Dear Ministry Partner,

Our final major American road trip is underway! That is right, we are bound for Colorado! Following our time there, we will hop on our international flight and be back in Hungary by the end of July!

Please be sure to note that our U.S. mailing address has changed! Of course as soon as we get our Hungarian address set up we will be sure to let you know. Until then, here is our stateside one:

1064 Fox Fire Lane, Hiawassee, GA 30546

Summer holds many opportunities. While we are in Colorado receiving our cross cultural training, the ministry in Hungary will be up to their neck in campers! SpeakOut is our annual summer camp which reaches more than 300 campers from all over the country. But

beyond being our single largest evangelistic event, SpeakOut is a phenomenal place for the development of student leaders. The Christian Hungarian students who come as staff experience 5 weeks of in depth Bible study, discipleship, and evangelism. Every week, they will spend 5 afternoons sharing the gospel with local vacationers.

This year, three students from the fledgling ministry in Pécs will participate as SpeakOut staff. As part of the catalytic ministry, we are extremely excited about this! SpeakOut affords an opportunity to disciple and train students from the countryside in a way that nothing else can. After this summer, Réka G.,

Eszter, and Réka will head back to their city equipped to confidently share their faith and ready invest in their personal walk with God. Please be praying that God really challenges them and gives them great vision during their time at SpeakOut!

“All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness.” 2 Timothy 3:16

Learn Hungarian with us!
The verb to pray in Hungarian is *imadkozni* which is pronounced: ee-mawd-co-z-knee

God’s Word is the perfect training tool and it is the sword that we use to equip our students at SpeakOut. We are so grateful that you are joining us in developing Christian leaders from the next generation of Hungarians. Thank you for your prayers and your support! Without you we wouldn’t be able to go! Please take a few minutes to check out our latest Stannard Snapshots video (website in blue below) and don’t forget to send an email to Luke (top email address) if you don’t currently receive our weekly prayer requests and would like to. Thank you for your amazing partnership!
